JOYCE ANDERSEN
singer and fiddler, one of the magical new local talents.

LORRAINE & BENNETT HAMMOND

Along with the music of four talented artists representing some of the styles that have been presented at the New Moon over the years, there will be door prizes, balloons and special gifts.

January 18 – ELLIS PAUL

Truly a national folk star with eight CDs, numerous compilations and a film credit. We welcome back this poet of the silky voice and the recipient of 11 Boston music awards. The opening act will be **Flynn**.

April 26 – CAROL NOONAN

Carol has released more CDs and has gained national attention for her moving tribute to fishermen lost at sea. Another fine female singer, **Colleen Sexton** (yes, she is Martin Sexton's sister) will start the evening for us.

February 22 – CLIFF EBERHARDT

His voice, his honest songwriting and his on-stage humor are definitely addictive. Be warned! The opening act is the fabulous **Liz Queler**, who does back up for Cliff and others and has several CDs of her own which highlight her fine voice and the diversity of her range of musical styles.

May 17 – LYNN MILES

Lynn not only fits our annual Canadian slot, but is also a brilliant songwriter with a voice that seems to come from the heart of Nashville. The lovely harmonies of **Chris and Meredith Thompson**, favorites of Falcon Ridge, will set the stage.

March 22 – JEZ LOWE

We go Celtic with the music from northern England. JEZ is known for his original mirthful and melancholy songs that often have a traditional sound. **Scott Alarik** will open, treating us to a mix of traditional and original songs sung in his deep signature voice.

June 7 – Double Bill DON WHITE and MARIA SANGIOLO.

Don successfully combines his skills as a singer/songwriter & comedian to enthrall audiences of all ages and social milieus. Blessed with the voice of an angel, Maria has also developed into an extraordinary songwriter.

Dear New Moon Audience:

Technically, our 15th season of the New Moon Concert series starts in November (Our first concert was in November, 1988!), but we will be celebrating in one way or another all year - first of all with our superb performers, and also with special treats as the year progresses. We invite you to join in the fun. On behalf of all the New Moon volunteers, those who were among the original co-founders and those who have more recently contributed their skills to our musical venture, I would like to express our gratitude to you, our loyal audience members, for rewarding our planning and hard work by attending our shows. With us, you have watched new musicians develop and old favorites reappear. With us, you have participated in an important community service, and some of you have even introduced your children to the vibrant world of live music. Thank you for helping us keep this music alive.

ALSO, if any of you would like to learn about how you can help with the many tasks necessary to make an organization like this successful, please contact us via our website: www.newmooncoffeehouse.org or call **978-373-9259**.

Carol
